An Sheng Acupuncture & Healing Arts

Milwaukie, OR 97222
Phone: 971.216.9913

By signing below, I do hereby voluntarily consent to be treated with acupuncture and/or substances by the above-named licensed acupuncturist. I understand that acupuncturists practicing in the state of Oregon are not primary care providers, and that regular primary care by a licensed physician is an important choice that is strongly recommended by this clinic's practitioners.

Acupuncture/Moxibustion: I understand that my acupuncture treatment could include the insertion of needles through the skin, the application of heat to the skin, or both, at certain points on or near the surface of the body in an attempt to treat bodily dysfunction or diseases, to modify or prevent pain perception, and to normalize the body's physiological functions. I am aware that certain adverse side effects could result, including but not limited to: local bruising, minor bleeding, fainting, pain or discomfort, and the possible aggravation of symptoms existing prior to acupuncture treatment. I understand that no guarantees concerning the use of acupuncture and Chinese herbs and their effects have been given to me, and that I am free to stop acupuncture treatment at any time.

Direct Moxibustion: I understand that if I receive direct moxibustion as part of therapy, there is a risk of burning or scarring from its use. I understand that I may refuse this therapy.

Chinese Herbs: I understand that substances may be recommended to me to treat bodily dysfunction or diseases, to modify or prevent pain perception, and to normalize the body's physiological functions. I understand that I am not required to take these substances but must follow the directions for administration and dosage if I do decide to take them. I am aware that certain adverse side effects may result from taking these substances. These could include, but are not limited to: changes in bowel movement, abdominal pain or discomfort, and the possible aggravation of symptoms existing prior to herbal treatment. *Should I experience any problems that I associate with these substances, I should suspend taking them and call the above provider as soon as possible.*

Acupressure/Cupping: I understand that I may also be given acupressure/cupping as part of my treatment to modify or prevent pain perception and to normalize the body's physiological functions. I am aware that certain adverse side effects may result from this treatment. These could include, but are not limited to: bruising, sore muscles or aches, and the possible aggravation of symptoms existing prior to treatment. I understand that I may stop the treatment if it is too uncomfortable.

Electro-Acupuncture: I understand that I may be asked to have electro-acupuncture administered with the acupuncture. I am aware that certain adverse side effects may result. These may include, but are not limited to: electrical shock, pain or discomfort, and the possible aggravation of symptoms existing prior to treatment. I understand that I may refuse this treatment.

I understand that there may be other treatment alternatives, including treatment offered by a licensed physician.

I have carefully read and understand all of the above information and am fully aware of what I am signing. I understand that I may ask my practitioner for a more detailed explanation. I give my permission and consent to treatment.

COVID-19 INFORMED CONSENT TO TREAT

I understand that the novel Coronavirus (COVID-19) has been declared a global pandemic by the World Health Organization (WHO). I further understand that COVID-19 is extremely contagious and may be contracted from various sources. I understand COVID-19 has a long incubation period during which carriers of the virus may not show symptoms and still be contagious.

I understand that I am the decision maker for my health care. Part of this office's role is to provide me with information to assist me in making informed choices. This process is often referred to as "informed consent" and involves my understanding and agreement regarding recommended care, and the benefits and risks associated with the provision of health care during a pandemic. Given the current limitations of COVID-19 virus testing, I understand determining who is infected with COVID-19 is exceptionally difficult.

To proceed with receiving care, I confirm and understand the following (Initial in all seven places provided) **Initial Below**

- I understand my treatment may create circumstances, such as the discharge of respiratory droplets or person-to-person contact, in which COVID-19 can be transmitted. _____
- I understand that I am opting for an elective treatment that may not be urgent or medically necessary, and that I have the option to defer my treatment to a later date. However, while I understand the potential risks associated with receiving treatment during the COVID-19 pandemic, I agree to proceed with my desired treatment at this time. _____
- I understand due to the frequency of appointments with patients, the attributes of the virus, and the characteristics of procedures, I may have an elevated risk of contracting COVID-19 simply by being in a health care office. _____
- I confirm I am not experiencing any of the following symptoms of COVID-19 that are listed below:
  *Fever *Dry Cough *Sore Throat
  *Shortness of Breath *Runny Nose *Loss of Taste or Smell _____
- I understand travel increases my risk of contracting and transmitting the COVID-19 virus. I verify that I have NOT in the past 14 days I have not traveled: 1) Outside of the United States to countries that have been affected by COVID-19; or 2) Domestically within the United States by commercial airline, bus, or train. _____
- I am informed that you and your staff have implemented preventative measures intended to reduce the spread of COVID-19. However, given the nature of the virus, I understand there may be an inherent risk of becoming infected with COVID-19 by proceeding with this treatment. I hereby acknowledge and assume the risk of becoming infected with COVID-19 through this elective treatment and give my express permission to you and the staff at your offices to proceed with providing care. _____
- I have been offered a copy of this consent form. _____

I KNOWINGLY AND WILLINGLY CONSENT TO THE TREATMENT WITH THE FULL UNDERSTANDING AND DISCLOSURE OF THE RISKS ASSOCIATED WITH RECEIVING CARE DURING THE COVID-19 PANDEMIC. I CONFIRM ALL OF MY QUESTIONS WERE ANSWERED TO MY SATISFACTION.

I HAVE READ, OR HAVE HAD READ TO ME, THE ABOVE COVID-19 RISK INFORMED CONSENT TO TREAT. I APPRECIATE THAT IT IS NOT POSSIBLE TO CONSIDER EVERY POSSIBLE COMPLICATION TO CARE. I HAVE ALSO HAD AN OPPORTUNITY TO ASK QUESTIONS ABOUT ITS CONTENT, AND BY SIGNING BELOW, I AGREE WITH THE CURRENT OR FUTURE RECOMMENDATION TO RECEIVE CARE AS IS DEEMED APPROPRIATE FOR MY CIRCUMSTANCE. I INTEND THIS CONSENT TO COVER THE ENTIRE COURSE OF CARE FROM ALL PROVIDERS IN THIS OFFICE FOR MY PRESENT CONDITION AND FOR ANY FUTURE CONDITION(S) FOR WHICH I SEEK CARE FROM THIS OFFICE.
